This edition covers six parks of the Midwest (Yellowstone, Devil's Tower, Badlands, Grand Teton, Scotts Bluff, Mount Rushmore). It includes information on accommodations and dining, camping and tours. Unlike other guides, this text provides a practical guide to the great American national parks, how to avoid the crowds, walking tours, facilities and how to get there. I've been from Acadia to the North Cascades to the Grand Canyon and this book is an excellent reference. With an emphasis on travelling via automobile, it also has several suggested hiking trips in each park as well as other points of interest. They say that most people never get more than 100 feet from their cars in parks.
