Military life places unique demands on military families with children including frequent moves, disruptions in schooling, family separation, health care issues, loss of friends, financial hardships, underemployment of military spouses, and the ever present threat of risk of injury or death of loved ones deployed. But learning how to navigate these challenges can help prepare families for those events as they arise. Readers will gain a better understanding of what child services and benefits are available and how to obtain them as well as secrets for successful relationships and family bonding. What people think about Raising Children in the Military. 0. 0 ratings / 0 Reviews. However, according to god, he would be able to live in a different world, but he made a mistake again and transferred him into a dangerous forest where he finds a pair of children and decides to take care of them.
