The central focus of the book is to look into what actually happened in the political system in South Asia during its first decade which led to the rise of dictatorship and ultimate collapse of democracy in this region. Here national integration has been linked with good governance. Nation building has been examined as a separate and distinct problem.

Hindu Nationalism and Indian Politics: The Origins and Development of the Bharatiya Jana Sangh (Cambridge South Asian Studies). Bruce Desmond Graham. 

International Bibliography of Political Science Volume 51: International Bibliography of Social Sciences 2002 (International Bibliography of Political Science (IBSS: Political Science)).

The list has a strong focus on political theory, as you might expect, and therefore includes mostly books on politics, liberty, justice, property, rights, law, and the enforcement of the law by the state. Many works by the great modern political thinkers are included, such as those of Rawls, Habermas, Chomsky, Cohen, Taylor, Roemer, Gilligan, Sandel, Waltz, and James Scott. 

Sidney Hook, who wrote the introduction to this volume, describes Democracy and Education: It illuminates directly or indirectly all the basic issues that are central More â€”. 8. Man, the State, and War.
