Message from the Principal

Happy Halloween Eve!

Thank you to our amazing PTSA, ASB and everyone who came out for the Haunted Halloween Drive Thru last night! Special thanks to PTSA board member John Quigley and his team of volunteers, for an incredible vision, and hard work that exceeded all expectations. In case you missed it, here are some pictures for you to enjoy. We will announce the winners of the car decorating and pumpkin carving contests next week.

I am excited to announce that CVMS will host school portraits by Gerardy Photography for all students and staff (in a safe drive through format) on November 18th. Please stay tuned for details as this will be the only opportunity to have your student’s current picture in the 2020-2021 yearbook. This is already a school year to remember so if you haven’t already, you can purchase your yearbook here. Students, you can even send your parents a reminder with this QR code!

As previously mentioned CVMS wants to make sure our community is being taken care of. We have partnered with Veba Resource Center to provide a number of self care opportunities for you. Students and parents, please complete this Wellness Survey to identify what classes you’d be interested in, and this PTSA Survey (parents only) to share what topics you want to learn more about with Dr. Sondoozi on November 4th.

I’m pleased to report teachers have been provided more flexibility in returning to their classrooms as of October 29th. I have walked several classrooms with staff members this week to consider their safety, technology, and general classroom needs. The district is now looking ahead to future dates (instead of November 9th) for a more measured approach for all students to be phased onto campus. Please see this morning’s Chat with Chuck presentation for more information.

School reopening conversations are often confusing and stressful, believe me I know! I came across this helpful link (thank you Karen Infantino) so if you are

CVMS 2020 Give Back to the Troops - Last Call!
Each year CVMS participates in Candy for the Troops. Despite COVID-19 and the limited candy that will be handed out this year, we are excited to participate in the "November 2020 Give Back to the Troops." We have decided to focus on hand written cards and letters to the troops, however candy will still be collected if you have any you would like to donate. The deadline to dropoff cards, letters, and/or candy in front of the CVMS administration office is November 2nd. We hope you will join us in this wonderful effort.

Counseling Update

As we begin the month of November, it’s a great time of year to remember to practice gratitude. In spite of all the turmoil of the last year, there is still so much to be thankful for and it is important that we help students develop a sense of gratitude and nurture it in ourselves as well. The attached gratitude worksheet has some great ideas about expressing gratitude in various aspects of our lives. We invite you to have family members fill it out individually or share with each other as a reminder of all the things we can appreciate about ourselves and our lives.

October 29th marked the end of the first quarter. Please check here next week for information on how to access grades via AERIES, as we do not mail grades home. This is also a great time to take stock of student progress and make any adjustments for the new quarter. Please reach out to one of us if we can help.

Your CVMS School Counselors,
Karen Infantino
