The stone that closed the tomb rolled in a channel that sloped, so it was easy to roll the stone so the tomb could be closed, but hard to roll the stone uphill to open the tomb again. You either agree with the Bible narratives that Jesus rose from the dead or you do not. By reading other parts of this website you will understand what research the authors of this website have done and why they understand this to be correct, that Jesus rose from the dead. The Resurrection is Raised from the Dead. 24:1 But at early dawn on the first day of the week, they went to the tomb, taking the spices they had prepared. 2 They found the stone rolled away from the tomb, 3 but when they went in, they didn’t find the body of the Lord Jesus. We refer to this tomb as the patio tomb, since it is now located beneath an apartment patio, eight feet under the basement of a condominium complex. Such juxtapositions of modernity and antiquity are not unusual in Jerusalem, where construction must often be halted to rescue and excavate tombs from ancient times. The patio tomb was first uncovered by construction work in 1981 in East Talpiot, a suburb of Jerusalem less than two miles south of the Old City. Whether they are right or not on the tomb of Jesus, the book raises many interesting questions about who really was Jesus and what life did he have. Very interesting and thought provocative, one finds himself thinking what if this is true? How would this impact on one of the world’s main religions?
