Published by Lehigh University Alumni Association since 1913, the Alumni Bulletin contains news, reports about Lehigh University and its members.

The act incorporating Lehigh University was passed by the Legislature of Pennsylvania on February 9, 1866. The University was formally opened on September 1, of the same year. As a mean between these two dates and as a time when students and alumni, Science Policy Bulletin, Volume 3 Number 5 October 1970. Science Policy Bulletin reports the current national and inter-national literature in the area of science and public policy, encompassing both "policy for science" and "science for policy" matters. For brevity, the word "Science" in the title of the Bulletin is used to denote engineering and technology as well as science. The Bulletin is intended for individuals and organizations engaged in studying, formulating, or implementing public policy relating to science and its applications. The Bulletin consists principally of summaries of the... The literature reported by the Bulletin includes books, reports, and periodical articles. The regularly screened periodicals are listed on the inside back cover. Harvard Alumni Bulletin, Volume 35, Issue 33. 1933. 0 Reviews. From inside the book. What people are saying - Write a review.
